XXVIII World Buiatrics Congress
27 July to 1 August 2014
Cairns Australia

Cairns, October 14, 2013

Dear Colleagues,

The Australian Cattle Veterinarians and the World Association for Buiatrics have the honour to invite you to the XXVIII World Buiatrics Congress that will take place in Cairns (Australia), from the 27th July to the 1st August 2014.

Please add this date to your calendar and tell your colleagues about it!

Visit our website www.wbc2014.com for more details. The Keynote speakers will be announced very soon.

Cairns is a major tourist destination, located between the Great Barrier Reef and the Queensland Rainforest. On the website you can see and book a range of tours.

We also invite you to submit abstracts for oral or poster presentations via the web site www.wbc2014.com/abstracts

Follow us on Facebook www.facebook.com/wbc2014

We look forward to seeing you in Cairns.

Kind Regards

Bob Rheinberger and WBC2014 Committee

Dear Members of the World Buiatrics Association,

herewith I would like to cordially encourage you to attend the next ANEMBE Congress in Spain.

This conference will host the AGM of the European College of Bovine Herd Medicine (ECBHM). The conference will take place in Oviedo (at the Congress Palace “Príncipe Felipe”), on the Wednesday the 25th to Friday the 27th of June.

We will be very pleased to receive your scientific input in the form of abstract.

The two official languages of the conference are Spanish and English. All talks and oral communications will be simultaneously translated into Spanish or English

The formal bases for the presentation are the following ones:

- Works related to all fields of buiatrics can be presented, prioritizing those relevant for their practical interest.
- Authors must submit the full paper **before JANUARY 18th, 2014**. The work will be 2-3 A4 pages long, with 2.5 cm margins all around and shall be presented single-spaced, in Times New Roman, 12 point font size. It shall contain the following sections: title, author/s, affiliation, abstract, introduction, materials and methods, results and discussion, conclusions and references. In the presentation of clinical cases, a different structure will be admitted. Citations will be made following a universal model for biomedical journals (http://www.fisterra.com/recursos_web/mbe/vancouver.asp).
- Authors that are residents of the ECMHM have to identify these characteristics clearly in the affiliation information of the author.
- Authors that are diplomats of the ECBHM have to identify this also, in order to sign all posters or communications presented by ECBHM members with ECBHM logotype.
- Papers may be written in English or Spanish, in this last case an abstract in English must be added. Authors may express their preference in the mode of presentation: oral exposure or poster.
- Papers submitted will be reviewed by the Scientific Committee, which will decide on its acceptance and publication in the Congress Proceedings Book and ANEMBE’s Bulletin. Authors will be informed about the acceptance of their work before **FEBRUARY 18th, 2014**.
- Selected papers will be presented by oral exposure in English or Spanish or poster presentation as decided by the Scientific Committee, and will be split between key note speakers talks, according to the issue and thematic. The authors will become assigned a moderator responsible for the coordination, who will guide the authors on all the doubts or questions that may arise. In oral presentations, the exposure duration will be 10 minutes, with 5 more minutes for questions. Authors of posters must be present for their

defense in the area reserved for this purpose and at the time marked by the Congress Organization.

- It will be required the registration at the Congress of at least one of the authors for the acceptance of the works. One of the authors will have a reduced price on the Congress registration.

Remember!!! The **deadline for the submission** is the **18th of January, 2013!!!**

For your information, the fees for this conference will be:

- ANEMBE and ECBHM diplomats:
 - 260€ (early registration)
 - 300€.
 - 185€ if presenting a communication
- NON ANEMBE/ECBHM members:
 - 370€ (early registration)
 - 410€
- Fees for participants that present a communication: 185€
- Fees Students/ECBHM-Residents/Unemployed Veterinarians
 - 135€ (only early registration)

More information about the conference as well as about the city will soon be available at the web page of ANEMBE

Looking forward to meeting you in Oviedo!
